Al Forat Investment Fund – is a closed, medium-term investment fund, based on a fixed term and fixed capital.

It was established to mobilize resources from investors to finance the construction and extension of two water treatment units to provide high quality safe drinking water for the people in the cities of North Khartoum - Alalafoun and

Omdurman – Al Salha.

The purpose of this Fund:

- Contribution to establishing a service that transforms and enhances the building of a healthier community.
- Creates new securities in the market and helps in increasing and diversifying the options of trading in the Khartoum Stock Exchange market.
- By investing in the Fund the shareholders will maximize their money profits in the specified fixed

term (maturity) of the fund.

- Al Ijara Investment Fund (BOK) - December 2007 :
